

The Blossom Solar PILOT has been approved.
Here's what it means for the local community.

\$50+ MILLION

of stable,
guaranteed
revenue over
40 years

What is a "PILOT"?

The PILOT (Payment In Lieu of Taxes) program allows local communities to create a lasting partnership with a utility-scale solar facility that will provide significant and sustaining revenues for schools and local governments, while creating jobs and economic activity.

Morrow County Taxing Jurisdiction	% of Tax Revenue	Annual	40-Year Total
-----------------------------------	------------------	--------	---------------

 Northmor School District	55.20%	\$541,901	\$21,676,031
